

**CAMP INFORMATION** - only 4 sleeps to go!

## **CLOTHING**

Please name EVERYTHING. NO aerosols should be taken such as deodorant, hairspray or sunscreen. Only roll-on or cream products may be used.

The weather forecast looks great, so shorts, t-shirts and runners are going to be the best day-time clothing (no singlet or tank tops). Remember to bring an old pair of runners or reef shoes to wear canoeing – they may get muddy! Evenings will be cool, so tracksuit pants and a warm hoodie/jumper will be ideal. You need to supply your own pillow, sleeping bag and sheet.

## **MEDICATION**

Your child has been given a bright pink 'medication form'. If your child is to have ANY medication whilst on camp, this form **MUST** be filled out with clear details of the medication required, dosage and time. This includes both oral and topical medications. It includes such things as vitamin supplements as well.

ALL medication is to be delivered to Kate Mitchell (Grade 6) or Robyn Twyford (Grade 5) prior to our departure on Tuesday 13<sup>th</sup> February from 8.15am. She will be in the conference room next to the sick bay. Medication must be clearly named in a snap lock bag please.

## **EPIPENS**

For those students who have an epipen, both your school AND home epipen must be taken to camp. One of them is to be given to Kate Mitchell or Robyn Twyford in the conference room the morning we leave and at that time, they will also check that your child's second epipen is in their daypack.

## **ASTHMA**

Anyone who is listed at the school as having asthma, regardless of the frequency, has also been given a green asthma form. This form **MUST** be completed and brought to school on the morning of our departure. NO form = NO going to camp.

## **ARRIVAL AT SCHOOL**

Please be at school at 8.30am. If you are dropping medication to Kate Mitchell or Robyn Twyford in the conference room, please go straight there.

Take your bag/pillow to the fence at the front of the school at the Church Road entrance and leave it with the teachers and parents in charge. You will carry your daypack containing your **lunch and drink** with you on the bus. Everyone must have a refillable drink bottle as this will be needed during activities at camp.

Once this is done, all students should go to the Hall, where their school hat and lanyard will be waiting. Parents MUST sign their child in - please do NOT drop and go. Once signed in, parents are then free to either leave, or to make their way to the front of the school if they wish to wait to wave us off. Students will remain in the Hall for final directions.

NO lollies please and remember, NO electronic devices, including mobile phones and iPads. A camera is optional and is your own responsibility (the teachers will be taking lots of photos of you which you can access back at school). NO phone cameras.

We are expecting to return to school at approximately 3pm on Friday 16<sup>th</sup> March.  
It should be a fantastic few days together!

Kate Mitchell, Erin Levinson, Katie Carson, Elias Karageorgiou and Robyn Twyford.
